Education

2011 Ph.D. in Anthropology (Archaeology), Arizona State University
2006 M.A. in Anthropology (Archaeology), Arizona State University
2003 B.A. in Anthropology (minor Geography), University of Texas at Austin
Summa cum laude and special departmental honors

Professional Appointments and Affiliations

2015-present Assistant Professor, School of Human Evolution & Social Change, Arizona State University
2015-present Research Director, Center for Archaeology and Society, Arizona State University
2015-present Research Associate, Archaeology Southwest, Tucson, AZ
2012-2015 Preservation Archaeologist, Archaeology Southwest, Tucson, AZ
2011-2012 Postdoctoral Research Associate, Southwest Social Networks Project: School of Anthropology, University of Arizona and Archaeology Southwest

Research Interests

Pre-contact archaeology in the North American Southwest; social network analysis; social identity and material culture; quantitative and formal methods in archaeology; ceramic analysis; ceramic chemical characterization (NAA, XRF); regional archaeological preservation planning

Publications

Student and post-doctoral advisee co-authors underlined

- 2008 Museum Collections Research Award: Museum of Anthropology, ASU - \$1,000
- 2005 Travel Grant: Graduate and Professional Student Association, ASU - \$500

Scholarships, Fellowships, and Other Awards

Scholarships and Fellowships

- 2010-2011 Arizona State University Graduate College Dissertation Fellowship
- 2010 Fred Plog Memorial Fellowship, Society for American Archaeology
- 2007-2010 National Science Foundation Graduate Research Fellowship (deferred 2005-2007)
- 2005 Thomas Carhart Fellowship: Crow Canyon Archaeological Center, Cortez, CO
- 2004-2007 University Graduate Scholarship: Arizona State University
- 2002-2003 James F. and Bernice Hinton Endowed Presidential Scholarship: University of Texas at Austin

Other Awards and Honors

- 2017 Arizona Archaeological and Historical Society Book Subvention Award
- 2014 Society for American Archaeology Dissertation Award
- 2008 Museum Collections Research Award: Museum of Anthropology, ASU

2007 First Place, Ruppé Prize in Archaeology: School of Human Evolution & Social Change, ASU
2002 Phi Beta Kappa National Honor Society
2001-2002 Lambda Alpha, national anthropology honor society (president of UT Chapter)

Teaching and Advising

Courses offered at Arizona State University:

ASB 335: Ancient Ruins of the Southwest (online)
ASB 335: Ancient Ruins of the Southwest (in person)
ASB 394: “Mythbusters”: Frauds, Myths, and Mysteries in Archaeology
ASB 568: Intrasite Research Strategies in Archaeology
ASB 790: Reading and Conference – Social Network Analysis in Archaeology

Methods Workshops

Formal Approaches to Qualitative Comparative Analysis (QCA), short course for the Institute of Social Science Research at Arizona State University: December 2016, April 2017

Network Science and Statistical Techniques for Dealing with Uncertainty in Archaeological Datasets. (Peeples and Tom Brughmans), Workshop at the 2017 Computer Applications and Quantitative Methods in Archaeology Conference, Atlanta, GA, March 13th, 2017. <http://www.mattpeeples.net/netstats.html>

GIS Workshop, Society for Cultural Astronomy in the American Southwest (Peeples, Fiocoprile, Dungan, and Wichlacz), Introduction to archaeological GIS at the 2017 SCAAS Conference, Tempe, AZ, Nov. 11th, 2017

Advising and Training: * year degree completed

Undergraduate Students

Garrett Trask (advisor, undergraduate research assistant) *2011
Alexandra Norwood (committee member, senior honors thesis) *2017
Katherine Salazar (committee member, senior honors thesis)

MA Students

Kendall Baller (committee member)
Mechell Frazier (committee member) *2016

PhD Students

Adrian Chase (committee member)
Nicolas Gauthier (committee member)
Sarah Oas (committee member)
Jonathan Paige (committee member)
Caitlin Wichlacz (committee member and RA supervisor)

Post-doctoral Researchers

Katherine Dungan, Ph.D. (post-doc advisor) 2017-present
Emily Fiocoprile, Ph.D. (post-doc advisor) 2017-present

Selected Professional Service

Ongoing Reviewer for journals/presses including: *American Anthropologist*, *American Antiquity*, *Frontiers in the Digital Humanities*, *Human Organization*, *Journal of Archaeological Method and Theory*, *Journal of Archaeological Research*, *Journal of Archaeological Science*, *Journal of Archaeological Science: Reports*, *The Kiva*, *Quaternary International*, *Water, Climate and Society*, Oxford University Press, and others.

2017-2018 Program committee member, Society for Economic Anthropology, 2018 Conference Tempe
 2017 Committee member, Society for American Archaeology: Amerind Seminar Program
 2016-present ASU Representative and Executive Board Member, Human Relations Area Files (HRAF)
 2016-present President, Southwest Symposium Executive Board
 2014-2016 Member, Southwest Symposium Executive Board
 2012-2014 Society for American Archaeology, Fred Plog Memorial Fellowship Award Committee
 2010-2016 Proposal reviewer, University of Missouri Research Reactor Archaeometry Lab, National
 Science Foundation Neutron Activation Analysis Subsidy Program
 2010 Graduate Representative, Archaeology hiring committee, School of Human Evolution & Social
 Change, Arizona State University
 2008, 2010 Grant reviewer, Graduate and Professional Student Association, Arizona State University
 2008 Graduate Student Representative, search committee for Graduate Academic Success Specialist,
 School of Human Evolution & Social Change, Arizona State University
 2005-2006 Secretary/Publications Officer of the Association of Anthropology Graduate Students, ASU
 2001-2002 President of the University of Texas at Austin chapter of Lambda Alpha, the National
 Anthropology Honors Society

Selected Recent Field and Lab Research

- 2017-present cyberSW: A Data Synthesis and Knowledge Discovery System for Long-Term Interdisciplinary Research on Southwest Social Change.
National Science Foundation RIDIR program. University of Arizona, Archaeology Southwest, Arizona State University, and University of Colorado, Boulder. Co-PI
- Project focused on developing a new archaeological data management system and open analytical tools for regional scale synthetic research in the U.S. Southwest.
- 2016-2017 Colorado Plateau, Cooperative Ecosystems Study Unit (CESU) Research Award
Ceramic Sourcing Study for El Malpais National Monument. Co-PI and Analyst
- Typological, neutron activation, and petrographic analysis of ceramic collections from sites across El Malpais National Monument. With Paul Reed and Mary Ownby
- 2015 Inventory and Monitoring Geodatabase Development for Agua Fria National Monument and Perry Mesa Archaeological District.
- Field and database project focused on using data generated by citizen scientists to update and improve archaeological site management data for the Perry Mesa Archaeological district on the Bureau of Land Management, Agua Fria National Monument.
- 2014-present Regional Identities, Social Diversity, and Demographic Change along the Edges of the Cibola World. National Science Foundation Archaeology Program. Principal Investigator.
- Field and collections based project focused on evaluating the geographic and demographic circumstances that variously encourage the formation of discrete social identities or the long-term maintenance of social diversity across a large portion of western New Mexico.
- 2014-present The Dynamics of Chacoan Social and Spatial Networks, AD 800-1200: National Science Foundation Archaeology program. University of Arizona and Archaeology Southwest. Senior project personnel and proposal co-author.
- Project focused on applying network models and methods to the organization and spread of Chacoan developments across the northern Southwest.
- 2010-2015 Southwest Social Networks Project: National Science Foundation Human Social Dynamics program. University of Arizona and Archaeology Southwest. Post-doc and senior personnel.

- Project focused on applying methods and models from social network analysis to explorations of the late prehispanic U.S. Southwest.
- 2012-2016 Cultural Resources Priority Planning in the U.S. Southwest. Archaeology Southwest.
- Project focused on developing cultural resource planning efforts in partnership with local communities, agencies, tribal entities, and other stakeholders. The goal of these efforts is to develop a comprehensive vision for how to identify, describe, evaluate, locate, and protect the places of our past using regional cultural resource databases, expert knowledge, and on-the-ground site assessments. With Andy Laurenzi, William Doelle, and others
- 2011-2016 Long-Term Vulnerability and Transformation Project: National Science Foundation Dynamics of Coupled Natural-Human Systems program. Arizona State University.
- Project team member, project focused on exploring the impact of different kinds of social and ecological diversity in regional socioecological systems in the U.S. Southwest and Mexican Northwest.
